

**USEITI Candidacy Application Subcommittee
Meeting Summary for Thursday, November 14, 2013, 2-3:00 pm**

Update on nomination process

- The USEITI Secretariat is working closely with the GSA FACA liaison to move this along. We do not have an ETA as to when nominees will be vetted.
- CSO's would like for the newly appointed members to be appointed before the December 11th meeting and reflected on the final candidacy application.

Candidacy Application

- The members worked through the changes requested last week to the Adapted Implementation Annex. A few changes resulted in a draft that was approved by everyone on the call.

Next Steps

- GOV Sector will consolidate the application and send a draft to co-chairs on or before Thursday, November 21st. Co-chairs can then circulate to their sectors for comment.
- GOV Sector will send summaries of the public outreach sessions to Co-chairs by November 22nd for sectors to review.
